

Attention!
Soccer South Bay Referee Association (SSBRA) Officials
March 28, 2017

Officials,

Please note that the City of Lawndale Community Services Department requires each SSBRA soccer official working games in the 2017 City of Lawndale Spring Youth Soccer Program to submit to the City two documents as follows prior to working his/her first game of the season, or as soon thereafter as possible:

Release, Hold Harmless and Agreement Not to Sue Waiver:

Please complete this waiver at the administrative table prior to working your first game, or as soon as possible thereafter, in the Lawndale Spring Youth Soccer Program for 2017. Only one waiver must be completed by each official for the entire 2017 season.

Submission: Each official shall leave the waiver with staff at the administrative table once completed. So we are certain that the right person is signing the document, please complete the process in the presence of staff at the administrative table.

Personal Auto Liability Insurance Documentation:

Valid personal auto liability insurance meeting minimum California State requirements per California Insurance Code Section 11580.1b identifying the official as a driver on the policy is required.

Submission: Officials are encouraged to email their auto liability insurance card directly to Mike Estes, Director of Community Services, at mestes@lawndalecity.org. If emailing the card is problematic, a copy of the insurance card (no originals please) can be left with staff at the administrative table, or it can be mailed directly to the following:

Lawndale Community Services Department
Attn: Mike Estes
14717 Burin Avenue
Lawndale, CA 90260

As we embark upon our sixth year of what I view as a fantastic partnership between the City of Lawndale and SSBRA, we want to tell each of you how much we appreciate you for taking time away from your families and personal interests to guide our youth in the proper enforcement of the rules of the game and requiring model sportsmanship from each of the players and coaches.
